I hereby request to obtain remote access to the Remote Public Access Terminal (RPAT) of the Colorado Courts for statewide civil case filings. I understand that the access granted will be the same access to documents in civil case filings throughout Colorado that is available at the Supreme Court library. I further understand that I will be granted a temporary password protected account with multi-factor authentication. If my request is granted, I will be required to sign and abide by a user agreement and be subject to the Remote Public Access Terminal Privacy Policy. My account will be active for 90 days at which time it will be deactivated, and I must request to have my account reactivated.
